Reasons to go back to the Moon

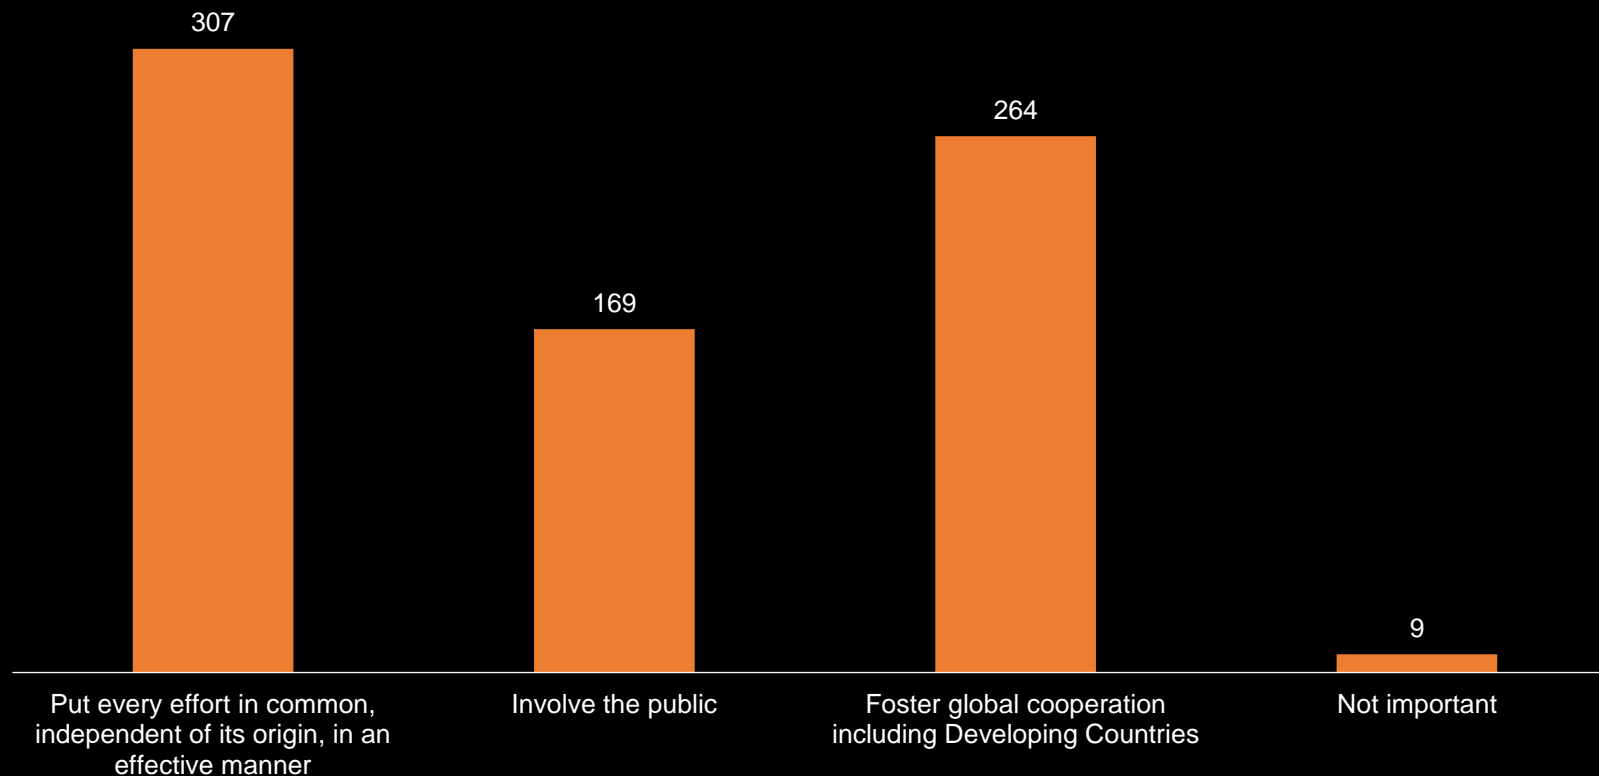

Reasons to go back to the Moon

Importance of Moon Village

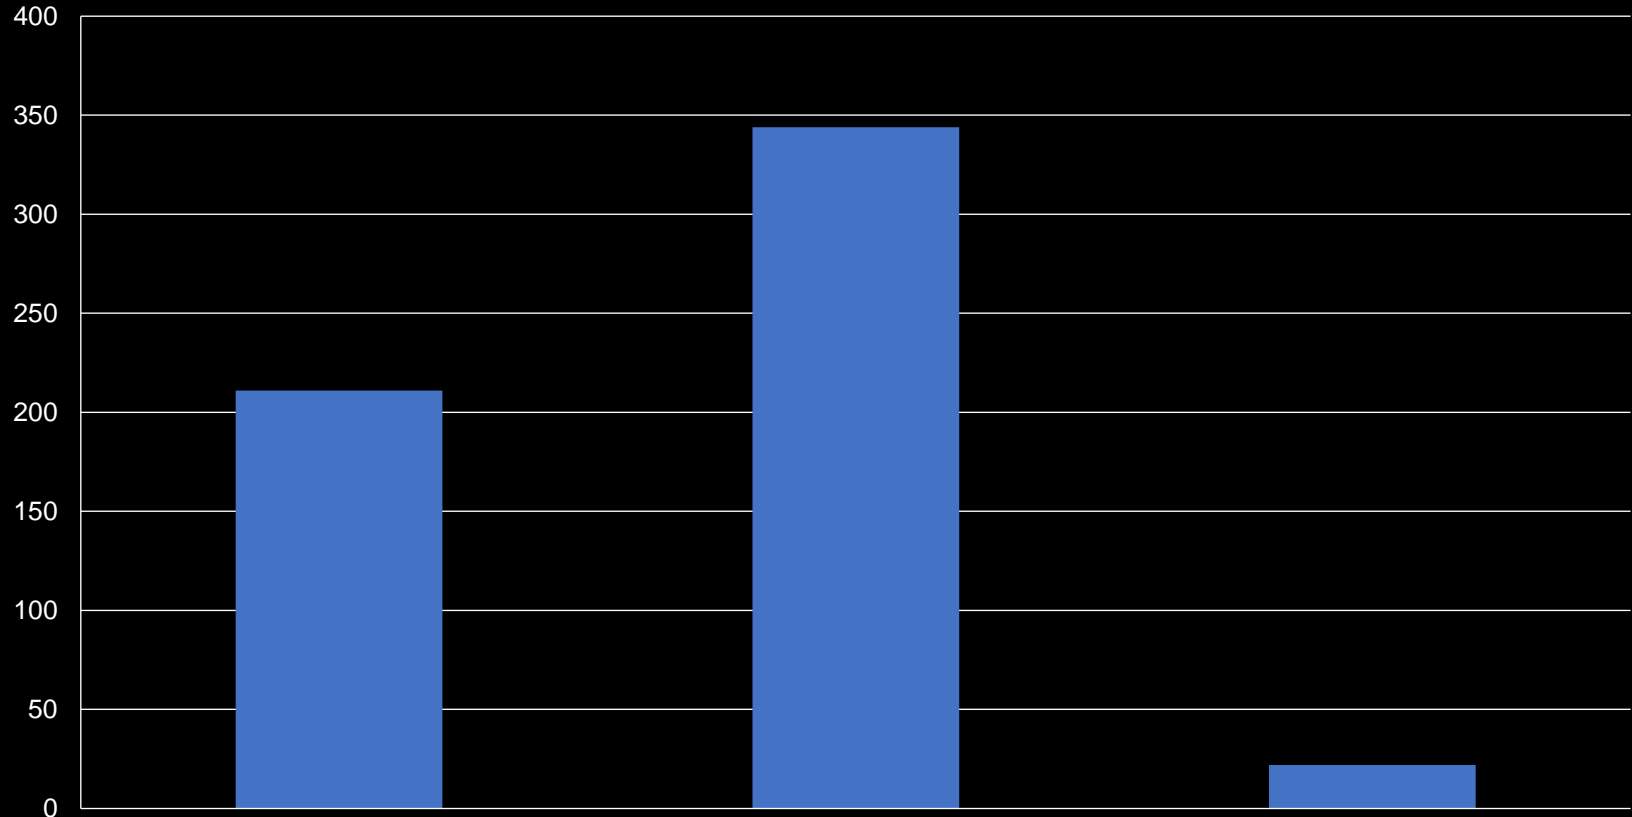

Creation of Moon Village is important because

Development of Infrastructures on Moon

Development of Infrastructures on Moon

It is an opportunity to use Lunar resources to solve resources and energetic problems on Earth.

It is an opportunity to test efficient lifestyles in energy production and waste management, with positive fallbacks towards solving Earth's problems.

It is a waste of money, compared to Earth's needs.

Thank you!
